

Outstanding Alumni Award Nomination Form

School of Forestry & Wildlife Sciences

The School of Forestry and Wildlife Sciences invites you to nominate yourself or a fellow alum for its annual Outstanding Alumni Award.

To qualify as a candidate for the award, nominees must:

1. Be a graduate of the Auburn University School of Forestry and Wildlife Sciences.
2. Demonstrate outstanding contributions to forestry, wildlife sciences or natural resources management within Alabama, nationally or internationally.
3. Demonstrate exemplary character, integrity, and community contributions. Any SFWS graduate, regardless of race, creed, religion, gender or geographic location may be considered.

Deadline for all nominations Jan. 28, 2022. Nominees not selected within a given year may be reconsidered in the future.

Please provide the below information to complete your nomination.
