

# WILDLIFE ENTERPRISE MANAGEMENT

## INSPIRING A PASSION FOR THE OUTDOORS

As one of only two programs of its kind in the country, Wildlife Enterprise Management merges the wildlife management and hospitality industries. Graduates earn a business minor and are positioned for success in a variety of hunting, fishing, and ecotourism businesses within both the private and public sectors.

### Choose your career.

- Resort Manager
- Guide Service Director
- Hunting Preserve Manager
- Shooting Sports Facilities Coordinator

Within the U.S., fishing and hunting industries employ nearly 483,000 Americans with salaries and wages of more than \$17.8 billion.

# GAIN REAL- WORLD EXPERIENCE THROUGH

- Study abroad
- Student clubs and organizations
- Undergraduate research
- Volunteering
